

**Global Presence With
Local Commitment**

**We cordially invite you to join us at the
CSI's 21st International Sugar Technical Conference 2017**

Novel Solutions for Driving Productivity in Sugar Factories and Refineries

**July 5 & 6, 2017
The Landmark Hotel
Bangkok, Thailand**

For more info, contact us: info@carbo-solutions.com

Topics covered include:

Sugar losses control & solutions

- ✓ How to reduce sugar losses in sugar process
- ✓ Polysaccharides impact and control in sugar industry

Strategies for low color sugar production

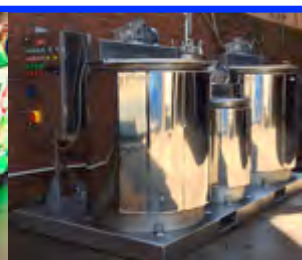

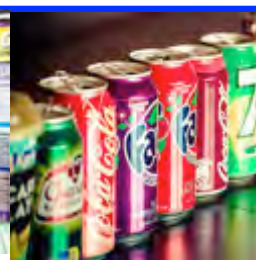

- ✓ High performance decolorants and benefits
- ✓ High performance adsorbants – Ecofriendly technology for color removal

Increasing productivity & profits

- ✓ Sugar conditioning & caking control
- ✓ Increase productivity by R3 run off treatment
- ✓ Carbonation enhancement with high performance process aids
- ✓ Liquid sugar production and opportunities

Other presentations

- ✓ Energy management on sugar & ethanol plants
- ✓ Sugar conditioning challenges and solutions
- ✓ Technical audits and tools supporting quality and productivity initiatives
- ✓ Color precipitants for production of VHP raw sugar
- ✓ Exploiting sugar platform for the production of chemicals

2017 Speakers include:

MR. EMMANUEL SARIR
CEO & President
Carbo Solutions International, USA

MR. ARVIND CHUDASAMA
Chief Editor, International Sugar Journal &
Chairman of CSI Sugar Technical
Conference 2017

MR. KRISDA MONTHIENVICHENCHAI
President
Mitr Phol, Thailand

DR. KLANARONG SRIROTH
Director
Sugar Technology Program
Department of Biotechnology,
Faculty of Agro-Industry
Kasetsart University, Thailand

MS. SAOVAPUN SUPUTTITADA
Process Engineering and Services
Director Real Soluplus Co.,Ltd.
Process Engineering and Services,
Thailand

MR. GAMAL OMAR SAYED
Technical Director
Carbo Solutions International, Egypt

MR. BENHUR PABON
Technical Director - Latin America
Carbo-Solutions International, Colombia

MR. ANTONIO ALBERTO STUCHI
Executive Director of Technologies
and Projects
Raizen - Ethanol, Sugar and
Bioenergy, Brazil

MR. ASIM HUSSAIN
Supply Chain Manager
Carbo Solutions International

MR. MURAD ALI BHATTI
President
Pakistan Society of Sugar Technologists

MR. SANAULLAH ARAIN
General Manager
Mehran Sugar Mills

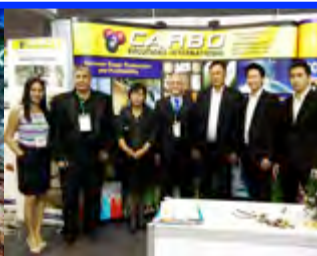

MR. HAYAT-UR-RAHIM
Process Advisor
Sanghar Sugar Mills

MR. ISAGANI APACIBLE
Laboratory Head
Central Azucarera Don Pedro Inc.,
Philippines

MR. JAMIL KHANZADA
Deputy General Manager
Chashma Sugar Mills

Global Presence With Local Commitment

This year's conference builds on the highly successful last year's. Keeping to the theme of driving competitiveness, the event will be of interest to both those working at the coalface of the sugar industry as well as those supplying technology and services.

Last year's event attracted delegates from:

India

Chemical Systems Technologies Pvt. Ltd. Uttam

Sucrotech International **Indonesia**

Pesantren Baru Sugar Factory

PTPN XI

Kingdom Saudi Arabia

United Sugar Company

Pakistan

Al-Abbas Sugar Mills Ltd

Ashraf Sugar Mills Limited

Ashraf Sugar Mills Ltd.

Bawany Sugar Mills-Talhar Pakistan Chashma-II Sugar Mills Ltd

Colony (Phalia) Sugar Mills Ltd

Dewan Sugar Mills Ltd. Thatta Pakistan Faran Sugar Mills Ltd

Haq Bahu Sugar Mills Ltd

Huda Sugar Mills Limited

Ittefaq Sugar Mills Ltd,

Kamalia Sugar Mills, Kamalia

Khairpur Sugar Mills Ltd

Mehran Sugar Mills Ltd

Mirpurkhas Sugar Mills Ltd

Naudero Sugar Mills Ltd.

Ramzan Sugar Mills Ltd

Sanghar Sugar Mills, Pakistan Shakarganj Limited

Shakarganj Mills Limited

Shakarganj Mills Ltd
